

One earth, one struggle:

Nnimmo Bassey

@ NNV AGM

Oslo, 18 February 2017

- **Oilwatch is a network of resistance to expansion of fossil fuel extraction activities in tropical countries**
- **Believes that now is the time to build post petroleum societies**
- **Oilwatch Africa is the Africa regional unit of Oilwatch International**
- **Recognizes diversity of strategies (context)**
- **Diversity is our strength**

CONNECTED BY COD & CHORDS 😊

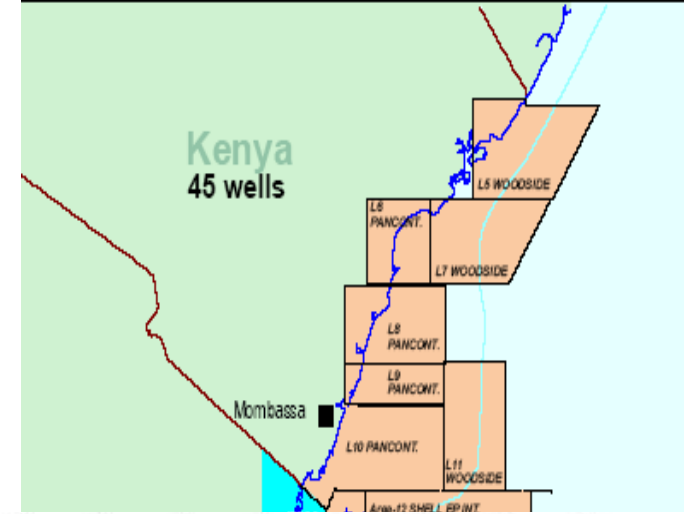

SHARING EXPERIENCES

NIGERIA

KENYA

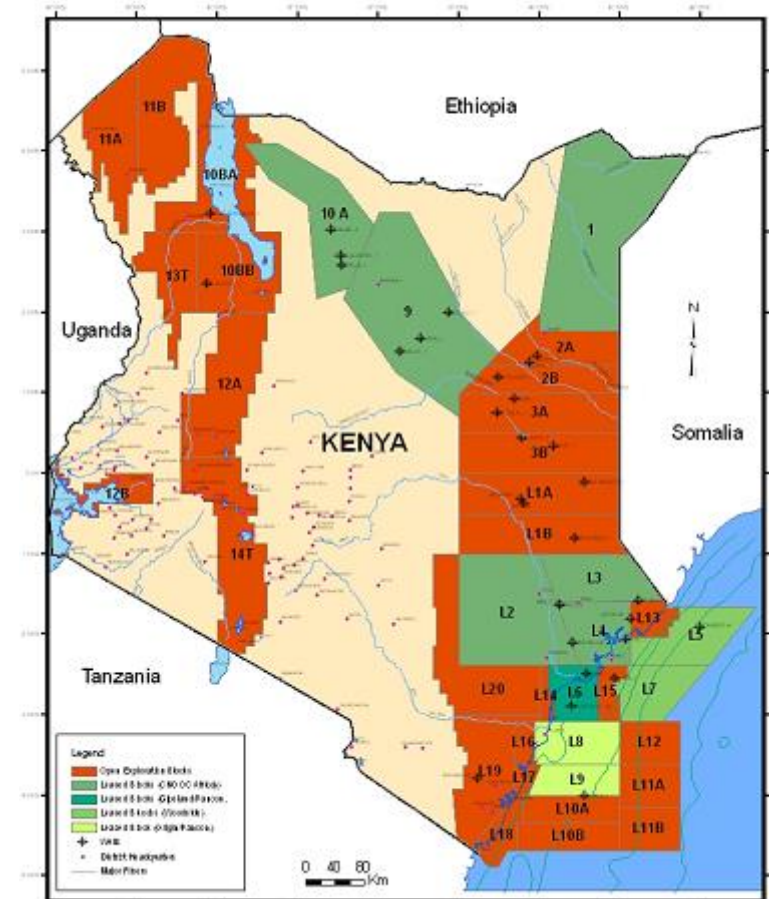

Companies

- Woodside, PanContinental/Alfex, DANA, Global Petroleum (Brisbane), CNOOC, Origin Energy, Gippsland Offshore Petroleum, Lundin, Camec International

Reserve potential in Lamu at over 1 billion barrels

- No EIA for exploration in Lamu

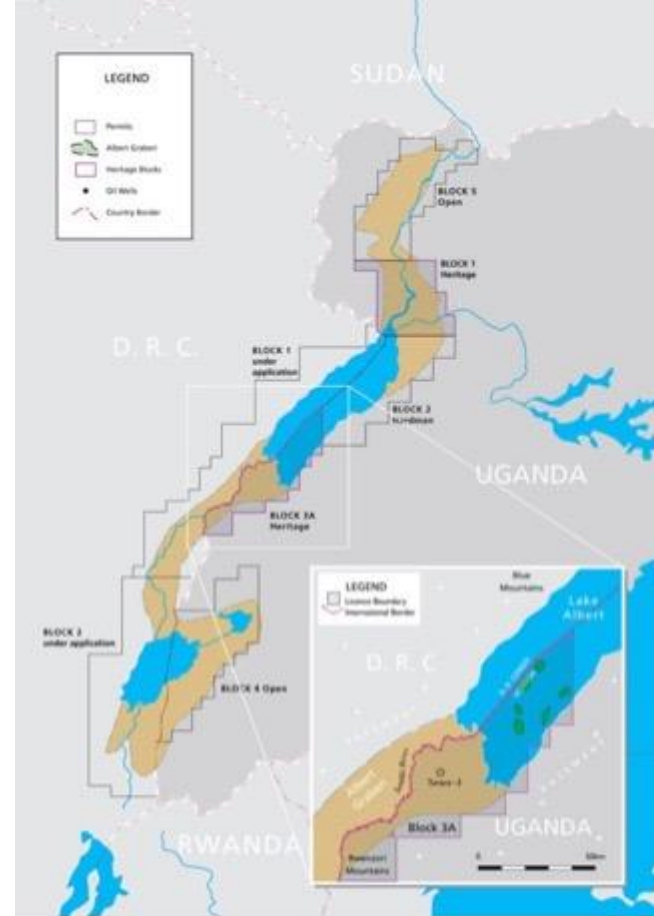

Kenya 'gifted' 6 blocks to CNOOC

UGANDA

Companies:

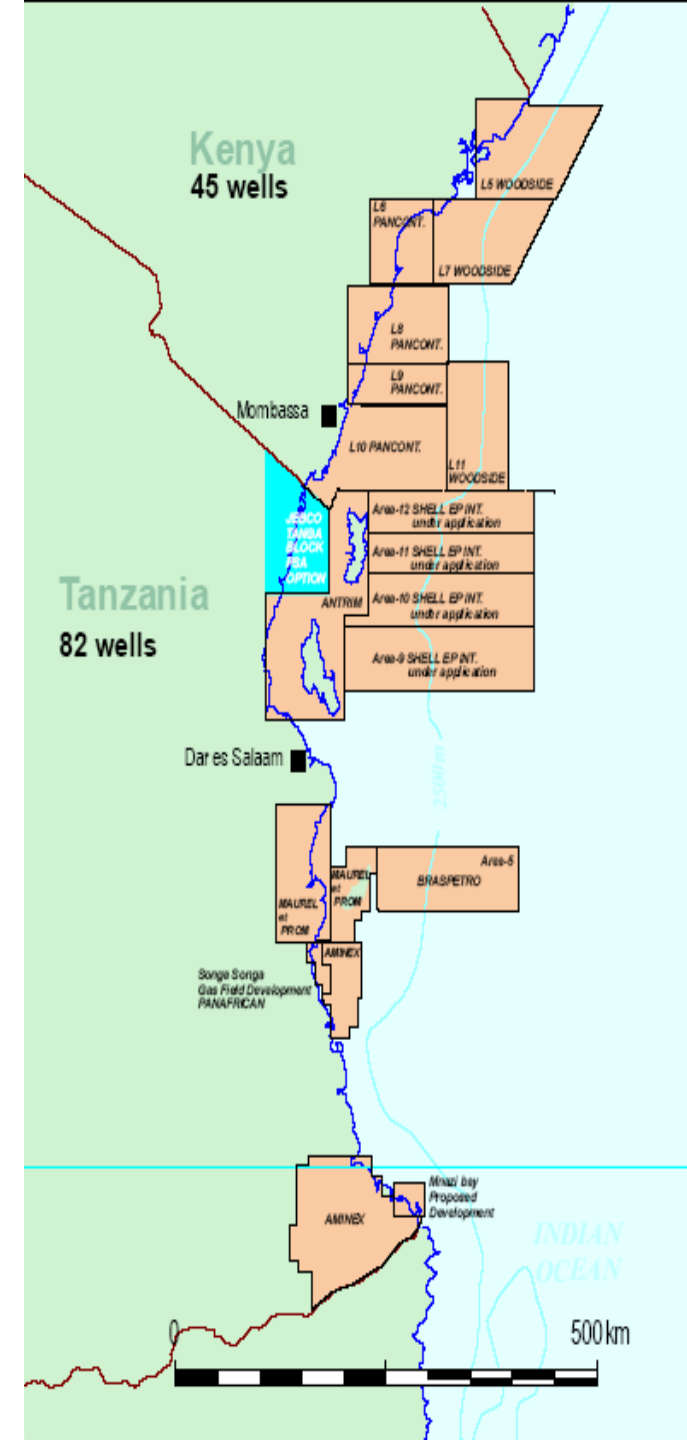

- Tullow, Total, etc.
